Dear Allen,

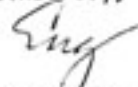

Thank you for sending me the definition of lupus as proposed by Dr. Norman Gaylis.

The Medical Council of LFA met last week in New Orleans at the time of the Annual Meeting of the American Rheumatism Association. One of our items of business was a discussion concerning the definition of lupus. The suggestions of Dr. Gaylis will be incorporated into our final statement which is still being prepared.

Many thanks for your continuing interest. I may not see you in Cleveland, but will see you again at one of the upcoming Board Meetings.

Best wishes,

Sincerely,

Eng M. Tan, M.D.
